Body of Jew Robbers Thought to Have Been Traced.

Wholesale Throats of Gang May Be Solved by Detective Discovery of a "House" Where Valuable Worth a Quarter of a Million Have Been Disposed Of—Suspects Gave Between Motor Bikes.

MONTREAL, Aug. 1, (U.S. Press).—Private detectives are tonight watching a residence in a suburb of Providence. This home is the long-sought "house" for the gang of thieves who obtained more than a quarter of a million dollars in loot during the 24 hours ending at last Saturday night. The police are of the theory of one of the four detectives "tagged" on the robbery.

The account of the house cannot escape surveillance, but the police have no positive evidence upon which to proceed against him.

Another detective agency is watching a house in South Boston, believing it to be either the headquarters of the jewelry stealing band or the home of their allies.

It is known, who took \$150,000 worth of jewelry, has placed her car close to the house. The police are watching for any movement of the car. The police are also watching for any movement of the car.

CIVIC HOLIDAY DRAWING BIG CROWD TO CITY

For a civic holiday, Belleville was fairly alive with people yesterday, the crowd being augmented by visiting Old Folows, whose train uniforms and badges attracted attention wherever seen. The Belleville, as on the day previous, was in evidence at very turn, and apparently enjoying their sojourn in our pretty city. The crowd, however, was not so numerous, and all told the addition to the population was very small, by several thousands.

The noon train, in a general sense, was spent in the freedom of the city, which was extended to all, the Grand Encampment conducting their individual sessions. About one o'clock, however, things began to materialize, and at two, the procession, previously planned by the officials of the city, formed into line and started on the route from Ridge street to Front, making a pleasantly short circuit, and finally heading for the driving Park, in the following order:

Staff Officers, mounted, by Sir Brigadier-General G. M. Hamilton, Deputy Commandant, and Major Walter A. A. G.

Colonels of London, Windsor, Brantford, Hamilton, St. Thomas, Kingston, Toronto, Belleville, Ottawa, Quebec City, Toronto, Fredericton, Moncton and Stratford.

A number of units, including The Worshipful Master, Grand Master, Deputy Grand Master, Grand Secretary, Grand Treasurer, Grand Marshal, Grand Scribe, Grand Chaplain, Grand Organist, Grand Band, Grand Marshal, Grand Secretary, Grand Treasurer, Grand Marshal, Grand Scribe, Grand Chaplain, Grand Organist, Grand Band, Grand Marshal, Grand Secretary, Grand Treasurer, Grand Marshal, Grand Scribe, Grand Chaplain, Grand Organist, Grand Band.

Killed Pipe Band, Grand Encampment and Old Folows from Belleville, Trenton, Picton, Trent, Stirling, Thompsonburg, and other places.

Trenton Band.

Marching in a body into the grounds, they then broke up into informal sections, and took to the streets armed for the afternoon, which proved to be of most interesting nature, a single section in the afternoon, with an interesting parade, in which the crowd, with no one injured, alone disconcerting the attention of the crowd, which numbered from seven to eight hundred.

SPORTS

Motor cycle race, 7 miles. The four competitors were all from Trenton. Diverting 1st, Lamont 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, CHICAGO HOLIDAY DRAWS BIG CROWD TO CITY

For a civic holiday, Belleville was fairly well filled with people yesterday, the crowd being augmented by visiting high school, while many students and teachers attended, wherever seen. The celebration, as on the day before, was increased by very large, and apparently enjoying the season.

Quite a number of people from the country, and all told the attendance was estimated to be increased by several thousand.

The morning was a general one, and went in the freedom of the city, which was extended to all, the Grand Encampment concluding their individual sessions. About one o'clock, however, things began to deteriorate, and at two, the procession, previously planned by the officials of the city, started out and headed for the Driving Park, in the following order:

A. G. O. P. Band.
Staff Officers, mounted, led by Brigadier-General G. M. Harrison, Deputy Commandant, and Major Taylor, A. G. A.

Contestants of London, Windsor, Brantford, Hamilton, St. Thomas, Kingston, Toronto, Belleville, Ottawa, Quebec City, Toronto, Etobicoke, Guelph, and other cities.

A number of students, including His Worship Mayor Wells, Grand Master Freeman, Deputy Grand Master Caldwell, Grand Secretary Brooks, and Grand Marshal John Dewam.

They then proceeded to the Driving Park, where they were met by a large number of people, and the celebration was continued.

Killies Pipe Band, Grand Encampment and Old Fellow, from Belleville, Trenton, Pelee, and other cities, followed.

The procession was a very successful one, and the celebration was a most enjoyable one.

The "Y's" at the House of Refuge

While moonlight swept the city, making a scene of beauty from the balcony of the House of Refuge, inside the building was that terrible which should be hidden and lighted the cell corners of life's sufferer.

Tuesday evening the place was invaded by the "Y's" in fulfillment of their purpose—"scattering seeds of kindness" and doing their best.

Mr. Wilson and his staff heartily welcomed the visitors, and led them to the assembly room, where 70 or 80 of the inmates of the institution were present.

President of the "Y's" Mrs. H. W. H. with Miss Sheffield as organist, a well arranged programme of sacred songs was rendered.

Several hymns were sung, and the people were very much interested in the programme.

During the exercise of the "Y's" and a half, there were songs by Mrs. Hunter, Dr. Dornier and Mr. Wright.

There were songs by Mrs. H. W. H. and Miss Phil. There was a quartette by Mrs. H. W. H. and Miss Phil.

Grand Encampment Concludes Business

The Grand Encampment concluded its labors on Tuesday evening after a very important session. The city hall was filled with representatives as was anticipated.

H. Ketcheson, of this city, who was Grand High Priest last year, was called to the position of Grand Patriarch, an honor worthily bestowed.

The officers who were elected for the Grand Encampment for the ensuing year will be as follows:

Grand Patriarch—H. Ketcheson, Belleville.
Grand High Priest—W. J. Graham, Toronto.
Grand Senior Warden—A. A. Brayton, New Lindsay.

Grand Scribe—John A. Macdonald, Belleville.
Grand Treasurer—E. G. Garbutt, Picton.
Grand Representative—E. M. Clapp, Toronto.

Grand Junior Warden—J. S. Locke, Trenton.

The valuable J. J. Reed trophy given as a prize for net increase in membership, was won by Seneca Encampment No. 40, Belleville, in close competition with Linger Encampment No. 47, of Tillamook.

The report of the Grand Scribe J. A. Macdonald showed a membership of 7,723, receipts of subscriptions \$21,167, working expenses \$9,200.15, relief to Patriarchs \$2,575.50, relief to widows \$1,891, special relief \$337.60, devoted funds of camps \$23,020.41.

The annual statement of the Grand Treasurer, E. G. Garbutt, showed receipts from January 1 to June 30, \$2,127.20; expenditures, \$1,263.50, balance, \$863.70, which, with balance carried over December 31, 1918, makes total June 30, 1919, of \$1,213.35.

THE REBEKAHS.
The Rebekahs were a busy body of women and did not complete their work before then until noon yesterday. The officers elected were as follows:

President—Mrs. Taylor, Hamilton.
Vice-President—Miss Clarke, Cornwall.
Warden—Miss Campbell, Galt.
Secretary—Mrs. Moore, Ottawa.

Treasurer—Mrs. Dodson, Chatham.
The degree staff of Mystic Link Lodge, Toronto, conferred the Rebekah degree on a large number of candidates Tuesday evening.

Belleville Lady Honored in Toronto

The following is clipped from Saturday's edition of the Toronto News:

"The resignation of Miss R. Stewart, for several years Superintendent of Nurses at the Toronto General Hospital, has been accepted by the Board of Trustees."

Miss Stewart will be succeeded by Miss Jean Gunn, a distinguished Canadian graduate of the Presbyterian Hospital, New York, and is now in charge of the Training School for Nurses at Memorial Hospital, Montreal.

Miss Jean Gunn is a daughter of Mr. and Mrs. Donald Gunn of this city. Miss Gunn brings one of our High School girls and a graduate of Albert College. Her mother, formerly with her every experience.

What her losses of the old-fashioned girl who used to put her hair in the middle?

FIRE ON A SCHOONER

KINGSTON, Aug. 13.—A small fire which broke out on the schooner Astor, on the foot of the harbor, was extinguished Monday, gave the first fire run they have had since July 2nd.

The blaze was of a small nature. It started over a small fire. It was extinguished in short order. The damage was not extensive.

Now that the "hounds" have been broken, the firemen have a much easier task. This is the longest spell the firemen have had without a run in some time.

EDUCATIONAL BELLEVILLE A PLEASURE

By the kind permission of the Director of the public schools, the writer will report the educational standing of the Belleville schools. The results from the Kindergarten to the Senior Matriculation, have been simply wonderful, in nearly every class or term from 1909 to 1913, being successful. Never before has Belleville had such a glorious experience, and it is to be said that, if any town or city in Ontario, can boast a similar record. The results are as follows:

Extensive to High School, city pupils, all passed except about half a dozen. Lower School, Primary Examination for Normal Entrance, 35 out of 36.

Final Examination for Normal Entrance, 18 out of 19. The Committee on Education to the Faculty of Education, 11 out of 11. Junior Matriculation, 10 complete passes, and 4 partial passes out of 11. Senior Matriculation, 10 complete passes, and 4 partial passes out of 11.

Twenty-two High School students wrote, and of these twenty and four (24) passed. Twenty and four (24) passed. Twenty and four (24) passed. Twenty and four (24) passed.

Thus it will be seen at a glance that results may be considered as fully attained. It is to be said that, if any town or city in Ontario, can boast a similar record. The results are as follows:

SHOPPING ROUND

It is a mighty interesting and instructive thing to visit the stores. A line up into the minute store, is really a strange experience. It is a mirror of the world's work. You could not see all the goods in a day, but you can pick out the ones most likely to interest you by reading the signs, which are usually very well written and to the point. Only one hand saw a writ proceeded from the hole which covered the unfortunate man. He was working on a narrow hole three and a half feet high by six inches high, in which to place the cotula to carry the wire which are at present overhead.

The foreman in charge of the work, which is being carried out by G. H. Gert, states that the rods of these tunnels are always bridged up and this was done in this instance. His only theory of the cause of the fall of the man, the man himself might have shifted the supporting planks while working.

The Joint Meeting

Re. Garbage By-Law

To the Editor of The Intelligencer

Dear Sir,—I notice that you give what is alleged to be a report of a joint meeting of the members of the Board of Health and a special meeting of the Council. It is to be reported that you or your representatives were not there to obtain all the facts on the municipal facts that were discussed. Your report would have been quite different. I do not wish to enter into a lengthy discussion in regard to this matter and as the discussion was fully held Tuesday night, I am sure that the board of the by-law in any form that could be brought into use was not worthy, further to discuss. Different views are held in regard to just how to carry the work out effectively, but it is a new organization in Belleville we have to give it a trial, and Dr. Freeman, the Medical Health Officer, is unwilling in any way possible, and the people, Mr. Ames, are giving the great deal of attention to the health organization of the collection and disposal of the garbage. Complaints may be lodged with the City Clerk, who is Secretary of the Board of Health, and with Inspector Ames, who is in charge of the work of the collection.

I trust that in any future reports of public meetings of this nature that will be placed in your paper, you will be able to give a more complete picture, so that the facts may be given as they happened and not left to the reader to conjecture the official mouth of your meetings.

I remain,

Yours faithfully

J. A. WILLIS, Mayor.

August 21, 1913.

Editor's Note.—The Intelligencer will be pleased to have a representative of the public meetings, if notification of the same is extended. In the above case the meeting was held on Tuesday night, information of which was not given this paper. The report in yesterday's paper was contributed by a member of the Council who was present, and we had every reason to believe that his version was correct.

QUINTE CENTRAL FAIR COMMITTEE IN SESSION

Met Last Evening with Alderman McFee in the Chair—Master Parade of Industrial Belleville to be Provided For

The committee of the citizens looking after the Trades Fair, met last evening. Alderman McFee was in the chair. There was a good attendance and lists were made for the various citizens to be canvassed to participate in the master parade of industrial Belleville to be held on Monday, Labor Day, September 1st. Various factories signified their intention of turning out in full force. Numerous prizes will be offered for the largest attendance, best appearance, most appropriate float, etc. It is now up to

the citizens individually to take that interest in the parade that means success. There should be, from indications, over two thousand in the procession, and it will truly represent and show to our citizens who are the men that are doing the work and building up our city by strengthening its finances by manufacturing; give a long way to make it the Belleville municipality it is now becoming and showing every indication of progress.

Keep on boosting the fair and Labor Day Parade.

DESERONTO NOTES

(From The Post.)

Mr. and Mrs. H. W. Sage left yesterday for a few days' visit, taking in Belleville, Redversville and Canoe.

Messrs. James Cole and Arthur Matley have returned from the west, where they were engaged in government survey work.

Mr. J. A. Blackwood of St. Ignace, Mich., is in Deseronto, on his way to Canada, having come on his relatives. This is the guest of Mr. and Mrs. J. A. Smith, 2000 St. Street.

Invitations are out for the marriage of Miss M. A. Carleton, to Mr. H. W. Williams, of Point Anne, The happy event takes place on Wednesday evening, Sept. 3rd.

St. Mark's Church held its annual outing to Massena Park on Tuesday. The day was ideal, the attendance was good, and everybody enjoyed themselves thoroughly, nothing taking place nor to the enjoyment of the day.

Mr. and Mrs. D. Cook have left town to take up their residence at Point Anne. Mr. Cook has already been there for some time, running his family last week. Mrs. Cook was very much missed in the Methodist church, where she was actively identified with the different organizations of the church, especially the Sunday School and Junior League.

Base fishing is said to be especially good in the bay harbours at the present time. We have heard of some splendid catches. On Thursday last Mr. W. H. Brown and his son, Mr. Kathleen, and Miss Langille were fishing a little above Porters' Island where Miss Kathleen landed a fine one, weighing about three pounds, and the other about one and three-quarter pounds.

Mr. Alex Seyers, Thomas street, was called away last week to the bedside of his mother, Mrs. Jane Macfarlane, who was seriously ill.

Telegram stating that the old lady, who was 80 years of age, had passed away. The funeral took place on Monday, the remains being interred in a cemetery a little east of Niagara.

The factory shed at the corner of Mill and Main streets, has been raised to the ground, to make way for the first floor of the C.N.R. tracks through the town, which work will be commenced within a few days.

The town authorities have also been advised that a hydroelectric scheme in the river of Major Major's property is in the way, and will have to be moved.

Two or three real estate transfers took place last week. Mr. Frank Van Velsk has purchased the real estate and grounds adjoining that of Mrs. George Woodland; Mr. George Richardson has purchased the house belonging to Mr. Wright, on Centre street, and now occupied by Mr. W. H. Macintyre.

While engaged on his work on Monday morning, about three o'clock, on the railway yard, a Macedonian, named Alex, called, was seen to fall back to the ground, and when his fellow-workman went to him, he was found to be dead. The doctor was summoned, but of course he was unable to do anything. While there was no doubt that the man's death occurred in the natural way, George Patterson expressed a hope to call on the coroner at 9 a.m. on Tuesday.

Coroner Attorney Alexander of Belleville was present, and examined the witnesses. Several witnesses were examined, chief of whom were Dr. Newell and Vanderhoef, on their return from the coroner's inquest. The coroner's inquest was held at 10 o'clock, and the jury returned a verdict that the deceased came from Toronto on Tuesday and took the car to the body.

SHERBROOKE, Que., Aug. 28.—Last week, Harry Thaw, accused of murdering Judge Gibson, was taken to jail, and was to be kept in the jail until the next day, when he was to be taken to the court to answer to the charge.

It was understood that the Thaw family would be allowed to visit him, and that he would be allowed to see his lawyer, but this was not the case.
